

{loadposition italafrica}

ItalAfrica is an association established in 2004 in Naples by the General Consulate of the Democratic Republic of the Congo in Italy, which thus guarantees the international legality. Among the founders, there are managers, businessmen and diplomatic and institutional Italian personalities and of some countries of the Central Africa.

ItalAfrica is a nonprofit organization, founded in 2004 to consolidate and enhance the understanding and friendship and to promote and develop economic relations in general between Italy and the countries of Central Africa which have geo-economic homogeneous characteristics and especially between Italy and the two Congos.

ItalAfrica is Chamber of Commerce Italy-Central Africa and is registered in the List of Foreign Chambers of Commerce in Italy, established by the Ministry of Foreign Trade.

It has a joint structure of components, and it was created to promote and facilitate the convenience and to guarantee the security of trade, the implementation of funded projects of industrial installations, commercial and of public service, and the development of socio-economic relations between Italy, EU countries and those in Central Africa, whose progress and prosperity it intends to contribute.

Our inspirational principle is : to work in the interest of countries and encourage their members with services of high professionalism and efficiency, speed, safety, maximal convenience of costs.
