

{loadposition italafrica}

**ItalAfrica** consociates Italian, European and African companies enrolled in the Registers of the Chambers of Commerce, Industry and Agriculture , as well as companies with headquarters and registration in the registers of companies in European countries, which aim is to entertain ,through Italafrica, commercial connections and social relations with the countries of Central Africa.

It collaborates with the Embassy of the Republic of the Congo (DRC) in Italy, and maintains relationships with current political, economic and commercial institutions of the DRC ,and with the Italian UnionCamere.

They are members of Law, the members Promoters of the ItalAfrica Association, respecting the principle of parity. Other members of law can be established by resolution of the Assembly upon proposal of the Executive Council.

They are Honorary Members, the Heads of Diplomatic Missions of the DRC and Central African countries accredited in Italy or leaders of diplomatic missions, by decision of the Board of Directors.

The Executive Council can designate honorary Members chosen from:

- Authorities of Public Administration of Italy and of the DRC and Central African countries;
- People and institutions who have contributed significantly to expand economic relations, and also cultural and of friendship between Italy and the DRC and the Central African countries or who have validly worked together to achieve the aims of the Association.

The Honorary Members took part into the Assembly with a consultative vote.

Supporting members are natural persons or legal persons who disburse voluntary contributions to strengthen the financial resources and to facilitate the institutional tasks of the Association.
